## I. ELIGIBILITY & ENROLLMENT

### A. Eligible Employee

The term "employee" includes only:

- Full-time State employees and employees of County Health Departments, who are paid by the State Comptroller, the State Department of Mental Health, Historic Blakely, Ft. Payne Improvement Authority, Historic Ironworks Commission, Bear Creek Development Authority, International Motor Sports Hall of Fame, Space and Rocket Center, the State Docks, St. Stephens Historical Commission, Alabama Sports Hall of Fame, USS Battleship, Red Mountain Greenway Commission and County Soil & Water Conservation Districts are to be eligible for coverage under this plan.
- Part-time employees working at least ten hours per week are only eligible for the Basic Medical Health Insurance Plan if they agree to have the required premium paid through payroll deduction.
- Members of the Legislature and the Lieutenant Governor are eligible during their term of office (excluding optional and supplemental plans).

**Exclusion:** Coverage is not available for those classified on the State of Alabama's records as an employee employed on a seasonal, temporary, intermittent, emergency or contract basis unless employee receives a W-2 and works an average of 30 hours per week during a designated measurement period as stipulated under the Affordable Care Act.

### B. Eligible Dependent

The term "dependent" includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

- Your spouse (excludes divorced or common-law spouse)
- A child under age 26, only if the child is:
  - your son or daughter,
  - a child legally adopted by you or your spouse,
  - your stepchild,
  - your grandchild, niece, or nephew for whom the court has granted custody to you or your spouse.
- An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - is unmarried,
  - is permanently mentally or physically disabled or incapacitated,
  - is so incapacitated as to be incapable of self-sustaining employment,
  - is dependent on you for 50% or more support,
  - is otherwise eligible for coverage as a dependent except for age,
  - the condition must have occurred prior to the dependent's 26th birthday, and
  - is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the SEIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the SEIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who otherwise meets the eligibility requirements except for age:

- When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
- When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - a change form is submitted to the SEIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - Medical Review approved incapacitation status.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The SEIB shall make the final decision as to whether an application for incapacitated status will be accepted. NOTE: The SEIB reserves the right to periodically re-certify incapacitation.

In the event of the death of an employee covered under the SEHIP who carried family coverage, the eligible dependents may continue coverage by making the appropriate premium payments to the SEIB. Pursuant to Act 2012-498, the spouse and dependents of an employee covered under the SEHIP who is killed in the line of duty or who dies as a result of injuries received in the line of duty may continue coverage under the SEHIP with the cost of continued coverage to be paid by the State Treasury. (Coverage shall cease upon remarriage or upon the attainment of an alternate health insurance provider.) SEIB must be notified within 90 days of the date of death.

Exclusion: You may not cover your wife, husband, or other dependents if they are independently covered as a State employee.

PCET's with ALDOT may remain dependents if their employment is part of their educational training.

### **Changes in Dependent Eligibility**

It is the responsibility of the subscriber to notify the SEIB immediately when the eligibility of a covered dependent changes. If it is determined that an act (such as adding an ineligible person to coverage) or omission (such as failing to remove a person no longer eligible from coverage) of the subscriber results in or contributes to the payment of claims by the SEHIP for persons ineligible for coverage, the subscriber will be personally responsible for all such overpayments and shall be subject to disciplinary action including termination of coverage. (Note: an ex-spouse is ineligible for coverage and cannot be maintained as a dependent under family coverage regardless of a judgment or divorce decree requiring the subscriber to provide health care of an ex-spouse. However, an ex-spouse may be eligible for COBRA continuation coverage.)

### **Qualified Medical Child Support Orders**

If the SEIB receives an order from a court or administrative agency directing the SEHIP to cover a child, the SEIB will determine whether the order is a Qualified Medical Child Support Order (QMCSO). A QMCSO is a qualified order from a court or administrative agency directing the plan to cover the employee's child regardless of whether the employee has enrolled the child for coverage. The SEIB has adopted procedures for determining whether such an order is a QMCSO. You have a right to obtain a copy of those procedures free of charge by contacting your SEIB.

The SEHIP will cover an employee's child if required to do so by a QMCSO. If the SEIB determines that an order is a QMCSO, the child will be enrolled for coverage effective as of a date specified by the SEIB, but not earlier than the later of the following:

- If the SEIB receives a copy of the order within 30 days of the date on which it was entered, coverage will begin as of the date on which the order was entered.

- If the SEIB receives a copy of the order later than 30 days after the date on which it was entered, coverage will begin as of the date on which the SEIB received the order. The SEIB will not provide retroactive coverage in this instance.

Coverage may continue for the period specified in the order up to the time the child ceases to satisfy the definition of an eligible dependent. If the employee is required to pay extra to cover the child, the SEIB may increase the employee's payroll deductions. During the period the child is covered under the SEHIP as a result of a QMCSO, all SEHIP provisions and limits remain in effect with respect to the child's coverage except as otherwise required by federal law.

While the QMCSO is in effect the SEHIP will make benefit payments – other than payments to providers – to the parent or legal guardian who has been awarded custody of the child. The SEIB will also provide sufficient information and forms to the child's custodial parent or legal guardian to allow the child to enroll in the SEHIP. The SEIB will also send claims reports directly to the child's custodial parent or legal guardian.

### C. Enrollment, Commencement and Reporting

Upon enrollment coverage commences as stated below:

- **Employee**
  - new employees who do not decline coverage will be enrolled as of the **effective date of employment**, subject to SEIB rules and procedures.
  - an SEIB Health Insurance Enrollment Form must be completed by the employee and his/her employer and submitted to the SEIB.
  - the SEIB will bill the employer a pro rata premium for every new employee for the month in which his/her coverage begins.
  - if the date of hire is between the 1<sup>st</sup> and 15<sup>th</sup>, the full individual premium will be deducted from the employee's first paycheck. If date of hire is between the 16<sup>th</sup> and 31<sup>st</sup>, half of the individual premium will be deducted from the first paycheck. Up to three months of the individual premium could be deducted from the first paycheck.
  - part-time employees may elect coverage to be effective on their date of employment, subject to appropriate premium payment, or on the first day of the month following first payroll deduction.

- **Dependent**

When adding dependents to family coverage, you must submit appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.) to the SEIB. NOTE: to avoid enrollment deadlines you should submit enrollment forms to the SEIB even if you do not have all of the appropriate documentation at the time of enrollment.

- The new employee's enrollment form shall reflect the effective date for both the employee and dependent coverage. The SEIB may change the dependent's effective date, subject to receipt of documentation or premium payment.
- New employees may elect to have dependent coverage begin on the date of their employment or no later than the first day of the second month following their hire date, subject to appropriate premium payments.
- Thereafter, dependents may be added to coverage only during the open enrollment period in November each year. Exception: dependents gained through birth, adoption or marriage may be added to coverage during the plan year if a change form is submitted to the State Employees' Insurance Board within 60 days of gaining a new dependent. (Special enrollment rights may apply for dependents that lose their other employer group coverage.)

Payroll deduction for insurance is taken from the last paycheck of the month. A **direct payment** for dependent coverage premium must be submitted with the enrollment form for any coverage period

before payroll deduction. The deduction from a payroll check or the deposit by the SEIB of a direct payment does not constitute acceptance of coverage.

- Beginning January, 2015, the State of Alabama will be required to treat employees who average at least 30 or more hours of service per week as full-time employees for health insurance purposes. For more details see “Memos to State Agencies on the Affordable Care Act – Employer Shared Responsibility Provisions” on the SEIB website [www.alseib.org](http://www.alseib.org).

- **Part-time Employees**

- Eligibility

- Part-time employees are **only** eligible for State Employees' **Basic Medical** Health Insurance (SEHIP) coverage provided that such employees agree to pay, through payroll deduction, the portion of the full premium not paid by the State. Part time employees must be enrolled in the Basic Medical Health Insurance Plan in order to enroll in dental or vision coverage.
- Full-time employees enrolled in any of the supplemental plans, who go part-time, must either decline coverage or revert back to basic medical plan and pay portion of the funding rate.
- The schedule shown below is used to determine the pro rata premium to be paid by the State and the employee:

Employment Status	State Portion of Funding Rate	Employee Portion of Funding Rate
Less than ½ time	25%	75% + employee premium
At least ½ time but less than ¾ time	50%	50% + employee premium
At least ¾ time	100%	0% + employee premium
Full time	100%	0% + employee premium

- Determination of Status

- Determination of employment status is the responsibility of the employer; however, such status shall be subject to periodic review by the SEIB. A copy of a Form 11 or a memo providing the SEIB with date and percentages of part-time status is required.
  - such reviews will consider the rate of pay and hours worked in determining the employment status of any part-time employee;
  - employers will be advised on any status questioned by the SEIB and will be required to revise or certify the status reported.
- The employment status in effect on the first day of the month shall apply throughout that month for insurance purposes.
- Changes in employment status that result in a change in pro rata premium payments will become effective on the first day of the following month.
- Changes in employment status should be reported to the SEIB on a Form 11 or with a memo.

- Termination of Coverage

Individuals whose employment status changes from full-time to part-time will not automatically be payroll coded for **no** insurance merely because their employment status changed to part-time. If an employee elects not to be covered while a part-time employee, a Membership Status Change Form should be completed requesting coverage cancellation. Do not use the “decline coverage” option on the enrollment form.

Until the "drop coverage" notification is received, the enrollment for initiating coverage is still in effect, and therefore, the appropriate payroll deduction will be made in order to continue the coverage.

- Enrollment
  - Part-time employees who do not elect coverage to be effective on their date of employment or first day of month following first payroll deduction may enroll only during annual open enrollment.
  - Enrollment forms for part-time employees should indicate the employment status but otherwise should be completed in the same manner as enrollment forms for full-time employees.

**D. Transfers**

- Insurance coverage for an employee who transfers from one State agency to another will be paid by the agency which pays the employee on the insurance payday received on the 1<sup>st</sup> of the month. Example: last day with Revenue Department August 15; begins with Public Safety August 16. Insurance pay period is with Revenue Department to pay for September coverage.
- An employee may add coverage for a dependent when the dependent ceases to be a State employee. Dependent coverage for the former State employee must begin on the day following the final day of coverage for the dependent as a State employee. For example, a State employee whose wife terminates State employment on January 8 must add dependent coverage to be effective February 1, since his wife will be covered as an employee through the end of January.

**E. Open Enrollment**

- Annual open enrollment shall be held in November of each year for coverage to be effective January 1.
- Open enrollment shall apply to active or retired subscribers who wish to change plans, begin coverage, add dependent coverage or add a dependent to existing family coverage.

**F. Special Enrollment**

Alabama law allows active full-time employees to decline coverage in the SEHIP. The Health Insurance Portability and Accountability Act of 1996 requires that a special enrollment period be provided in addition to the regular enrollment period for employees and eligible dependents if:

- the employee declined to enroll in the SEHIP because of other employer group coverage and submitted a completed "Declination of Coverage"; and
- the employee gains a new dependent through marriage, birth or adoption; or
- the employee or dependent loses the other employer group coverage because:
  - COBRA coverage (if elected) is exhausted, or
  - loss of eligibility (including separation, divorce, death, termination of employment or reduction of hours of employment), or
  - employer stopped contribution to coverage; and,
  - the employee requests enrollment in the SEHIP in writing no later than 30 days after the loss of other coverage.

A request for Special Enrollment must include:

- a letter requesting special enrollment submitted to the SEIB within 30 days of the qualifying event, along with a completed enrollment form or status change form if only adding dependents.
- thereafter, the following documentation must be submitted within 60 days of the qualifying event:
  - proof of gaining a new dependent (e.g. marriage certificate, birth certificate, adoption papers, etc.)
  - proof of coverage loss listing the reason and the date of the coverage loss for all individuals affected (e.g. employment termination on company letterhead),

**G. Active Employee Over 65**

Active employees and their dependents over age 65 are covered under the same conditions as any employee under age 65. The SEHIP is primary for services covered by Medicare.

**H. Status Changes**

A status change form should be completed for addition or deletion of dependent coverage. The status change must be submitted directly to the SEIB by mail, fax or by visiting the SEIB website at [www.alseib.org](http://www.alseib.org).

**I. Address Changes**

All correspondence and notices required under the provisions of the SEHIP or state or federal law will be delivered to the address provided by you in our records. It is your responsibility to ensure that your address of record is accurate. To change an address, a written request may be submitted to the SEIB office at PO Box 304900, Montgomery, Alabama 36130-4900 or by visiting our web page at [www.alseib.org](http://www.alseib.org). An address cannot be updated by Blue Cross and Blue Shield of Alabama or made from information shown on claim forms.

**J. Employee Name Changes**

Name changes are processed electronically once they are changed on payroll with the employee's agency.

**II. TERMINATION OF COVERAGE**

**A. When Coverage Terminates**

Coverage under this plan will terminate:

- on the last day of the month in which employment terminates. The SEIB may continue an employee's coverage if the employee is absent from work because of injury or sickness, or if the employee is absent from work due to leave of absence or temporary layoff, but only for a limited period. Premiums may be required from the employee by direct pay. For details, contact the SEIB.
- when this plan is discontinued.

Coverage under this plan will also terminate for a dependent:

- on first day of the following month in which such person ceased to be an eligible dependent.
- if the dependent becomes covered as an employee.
- when premium payments cease.

In many cases the employee will have the option to choose continuation of group benefits as provided by the Public Health Service Act. (See COBRA Section in Employee handbook.)

**B. Family & Medical Leave Act**

The SEIB will adhere to the provisions of the Family and Medical Leave Act as approved by the appropriate authority. The Family and Medical Leave Act of 1993, which became effective August 5, 1993, requires state departments and agencies to continue health insurance coverage for employees on FMLA. Procedures for payment of health insurance premiums for employees on FMLA are as follows:

- employees who are in pay status while on FMLA (i.e. using annual or sick leave), will continue to have the employee and dependent health insurance premiums paid through the GHRs payroll/personnel system by the State Comptroller. Employees on FMLA who are not in pay status when health insurance premiums are deducted will be responsible for paying their premiums directly to the SEIB if they want to continue the health insurance coverage. The Board requests that the agency inform all employees who request FMLA of these procedures. Employees on FMLA who want to continue coverage must ensure that their premiums are paid continuously every month. If they do not receive a paycheck when premiums are normally deducted, they must make the payment directly to the SEIB; otherwise, the health insurance coverage will be canceled.
- Documentation (Form 11) of FMLA on employees not in pay status should be sent to SEIB. The GHRs payroll is not an automated billing system for FMLA insurance premiums. When SEIB is notified they will check to see premiums due are billed and paid. SEIB should also be notified when employees return to pay status.

**C. Employees on Leave without Pay (LWOP)**

- **State health insurance coverage for employees on official leave without pay** may be continued for a maximum of 12 months provided the employee elects to make the premium payment required for coverage directly to the Board. Official leave without pay is established when an employee has

received the approval of the Personnel Department (for classified employees) or appointing authority, where applicable, to be taken off the payroll for an extended period of time.

- **Direct Payment of Premiums for Employees on Leave:** The employer share of premiums for employees going on leave without pay will be paid by the employer for the month in which leave without pay begins unless leave begins on the first of the month, in which case the employee must make the premium payment. For example, an employee beginning leave on March 10 will begin direct payment April 1 (the employer would pay the employer share for March coverage). Therefore, the first direct payment and documentation of leave without pay must be received by the Insurance Board no later than April 1. If leave began March 1, the employee would pay for March coverage.
- **Documentation of Leave Status:** Direct payments will **not** be processed without proper documentation indicating that the employee is on official leave (Form 11 for classified employees, documentation from appointing authority for others). The first direct payment must be accompanied by a copy of the documentation of official leave and both the payment and the documentation must be received no later than the first day of the coverage period for which direct payment is submitted. Employees covered under the State Employees' Supplemental Plan, Optional Plans, Dental Plan or the Vision Plan will be required to pay premiums to continue coverage.

Employees on LWOP will be responsible for the LWOP premiums.

- **Return from Leave without Pay:** If the employee maintained coverage through direct payment, the employee will be responsible for payment of premiums through the end of the month in which he/she returns to active employment unless they return on the first working day of the month. The employing agency must resume payment of employer share of premiums beginning with the month immediately following the month in which the employee returns. For example, an employee who returns from leave on March 8 must pay for his/her March coverage. The employer would resume payment of the employer share of premiums beginning with the April coverage. No pro rata premiums will be accepted unless the employee did **not** make direct payment of premiums while on leave, in which case the employee is considered a new employee for insurance purposes and must be re-enrolled on the date the employee returns to active employment. A new enrollment and pro rata payment is required.
- **Periods Off Payroll Not Considered Official Leave Without Pay:** When an employee has depleted his/her accumulated leave and must be taken off the payroll for several days, payment of the employer share of premium should be continued by the employing agency if the period off the payroll is not considered extended leave without pay requiring approval of the Personnel Department (for classified employees) or appointing authority where applicable.

#### **D. Continuation of Group Health Coverage (COBRA)**

The Public Health Service Act [42 USC Sections 300bb-1 through 300bb-8] requires that the SEIB offer employees and their families the opportunity for a temporary extension of health coverage (called "continuation coverage") at group rates in certain instances where coverage under the plan would otherwise end.

#### **E. Workers' Comp - Premiums for Employees Who Suffer a Work-Related Injury**

Agencies and departments will continue to be responsible for paying the employer's share of premiums for their employees who have reported a work-related injury to the State Employees' Injury Compensation Trust Fund (SEICTF). If the injured employee has opted to take the 2/3's wage replacement, agencies and departments are encouraged to maintain the employee's GHRS health insurance codes to pay the employer's share of premiums. Otherwise, premiums for these employees will be included in the monthly billing to the agencies and departments. The SEIB will not bill nor accept payment for the employer's share of premiums from the employee.

Injured employees, who do not have their share of premiums deducted through payroll, will be responsible for paying the premiums directly to the SEIB. If premiums are not received before or during the month of coverage, the employee's coverage will be canceled.

**F. Refund Request**

In order for an employee to receive a refund for premiums paid to the SEIB in error, the agency must complete SEIB Form IB10 and forward it to the SEIB. (A copy of the Refund Request form can be found in this administrative guide and on the SEIB website at [alseib.org/healthinsurance/sehip/forms.aspx](http://alseib.org/healthinsurance/sehip/forms.aspx)).

SEIB employer supplemental billings and credits for agency employees will be transmitted electronically directly to the State Comptroller's Office for upload and processing in payroll cycles. A billing statement is available for download via the SEIB website to the agency's **authorized** payroll/personnel officers. The state share is charged to the payroll fund designated in GHRS for the employee based on accounting codes in GHRS. The charge is reflected on the agency's fringe benefit payroll journal voucher in CAS each payroll cycle. The charges are also reflected on the GHRS HAR020G General Ledger Detail Report available on the Comptroller's website to **authorized** departmental personnel each pay cycle.

All employee premium refunds will be credited back to the employee in their pay check through the GHRS payroll system. A refund of pretax premiums will be subject to Federal, State, FICA and/or Medicare taxes.

If you have questions regarding the changes to the SEIB supplemental billings or refunds, please contact SEIB staff at [www.alseib.org](http://www.alseib.org) and/or at 334.263.8374 or toll-free at 866.836.9737. For questions regarding the payroll charge out, please call the GHRS Hotline at 334.242.2188.

### **III. RETIREE ELIGIBILITY & ENROLLMENT**

**A. Eligible Retired State Employee**

A retired employee of the State of Alabama who has at least 10 years of creditable coverage in the SEHIP and receives a monthly benefit from the Employees' Retirement System or Teachers' Retirement System of Alabama or Judicial Retirement Fund.

**B. Eligible Dependent - see page 5.**

**C. Enrollment/Continuation**

- A retiring employee may elect coverage under the State Employees' Health Insurance, by agreeing to have the monthly premium amount (if applicable) deducted from his retirement check.
- A Medicare retiree and/or a Medicare dependent should have both Medicare Parts A and B to have adequate coverage with the State of Alabama. Medicare Part B premiums are the retiree's responsibility. These premiums are deducted from the retiree's Social Security check.
- Miscellaneous insurance premium direct payments are not accepted. These premiums will be deducted from the retirement check upon receipt of notification from each company.

**D. Open Enrollment**

Retired employees that do not elect to continue their coverage under the SEHIP may do so during the annual open enrollment held each November for coverage to be effective January 1.

**E. Survivor Enrollment**

In the event of the death of a retired employee, who carried family coverage, the eligible dependents may continue coverage by making appropriate premium payments to the SEIB. The SEIB should be notified within 90 days of the date of death.

**F. Special Enrollment**

The Health Insurance Portability and Accountability Act of 1996 requires that a special enrollment period be provided in addition to the regular enrollment period for retired employees and eligible dependents if:

- the retired employee declined to enroll in the SEHIP because of other coverage and submitted a completed "Declination of Coverage;" and
- the retiree gains a new dependent through marriage, birth or adoption; or
- the retiree or dependent loses the other employer group coverage because:
  - COBRA coverage (if elected) is exhausted, or

- loss of eligibility (including separation, divorce, death, termination of employment or reduction of hours of employment), or
- employer stopped contribution to coverage; and,
- the retiree requests enrollment in the SEHIP in writing no later than 30 days after the loss of other coverage.

A request for Special Enrollment must include:

- a letter requesting special enrollment submitted to the SEIB within 30 days of the qualifying event, along with a completed enrollment form or status change form if only adding dependents.
- thereafter, the following documentation must be submitted within 60 days of the qualifying event:
  - proof of gaining a new dependent (e.g. marriage certificate, birth certificate, adoption papers, etc.)
  - proof of coverage loss listing the reason and the date of the coverage loss for all individuals affected (e.g. employment termination on company letterhead),

#### **G. Provisions for Medicare**

The SEHIP remains primary for members until the member is entitled to Medicare. Health benefits will be modified when member or their dependent becomes entitled to Medicare. Upon entitlement to Medicare, SEHIP will be the secondary coverage and Medicare will be the primary coverage (unless otherwise provided under the Medicare secondary payer regulations).

**A Medicare retiree and/or Medicare dependent should have both Medicare Parts A and B to have adequate coverage with the State of Alabama.**

**If a retiree or dependent becomes entitled to Medicare because of a disability before age 65, he/she must notify the SEIB.**

**Retirees who start receiving retirement benefits because they reach age 60 may enroll for health insurance.**

**NOTE:** The SEHIP is not a supplement to Medicare.

#### **Medicare Part B**

Retirees who are eligible for Medicare primary coverage but do not have Medicare Part B will:

- Not receive State primary coverage for services that would have been covered by Medicare Part B if they are enrolled as a Medicare retiree. State primary coverage for these services will be “carved out” and the Medicare retiree will be responsible for the payment of these claims.
- Pay the SEHIP an amount equal to the Medicare Part B premium in addition to the regular non-Medicare premium if they are enrolled as a non-Medicare retiree. These retirees have until the next available Medicare enrollment period to enroll in Medicare Part B. As of that date, the retiree will be changed to Medicare primary for Medicare Part B services and the State coverage will become secondary.

**If the additional premium equal to the Medicare Part B premium is not paid to the SEHIP, State primary coverage will be “carved out” for all benefits Medicare Part B would have paid and the retiree will be responsible for the payment of these claims.**

#### **Medicare Part D Prescription Drug Coverage**

Prescription drug benefits for Medicare retirees are provided through the SEHIP Employer Group Waiver Plan (EGWP). The SEHIP EGWP is a Medicare Prescription Drug (Part D) plan that is in addition to the coverage under Medicare Part A or Part B.

#### **H. Employees Retired after September 30, 2005, but Before January 1, 2012 - Premium Based on Years of Service**

If you retired after September 30, 2005, but before January 1, 2012, you will be subject to a sliding scale premium structure based on your years of State service. The premium for retiree coverage is broken down

into the “employer contribution” and the “employee contribution.” The dollar amount of these contributions is subject to change each year.

Under the sliding scale, the retiree will still be responsible for the “employee contribution” of the premium, however, the amount the State will pay toward the “employer contribution” of the premium will increase or decrease based upon a retiree’s years of State service. For those employees retiring with 25 years of State service, the State would pay 100% of the “employer contribution” of the premium. Each year less than 25, the amount the State will pay toward the “employer contribution” would be reduced by 2% and the “employee contribution” will be increased accordingly. Each year over 25, the amount the State pays toward the “employer contribution” would be increased by 2% and the employee contribution reduced accordingly. NOTE: The retiree sliding scale is not applicable to premium discounts.

Years of creditable service are determined by the Retirement Systems of Alabama. Effective for all employees retiring after July 31, 2008, Act 2008-280 authorizes the SEIB to exclude from RSA’s years of creditable service calculation any service not related to service as a State employee (as defined in Section 36-29-1 Code of Alabama 1974) except for creditable service related to the following:

- service in the United States armed forces, or
- service as an employee as defined in Sections 16-25A-1 and 16-25A-11 Code of Alabama 1974, or
- service as an employee of a postsecondary institution eligible for PEEHIP coverage as a retiree.

**Employees Retired on or after January 1, 2012 - Premium Based on Years of Creditable Coverage in the SEHIP**

If you retired on or after January 1, 2012, you will be subject to a sliding scale premium structure based on your years of creditable coverage in the SEHIP. The premium for retiree coverage is broken down into the “employer contribution” and the “employee contribution.” The dollar amount of these shares is subject to change each year.

Under the sliding scale, the retiree will still be responsible for the “employee contribution” of the premium, however, the amount the State will pay toward the “employer contribution” of the premium will increase or decrease based upon a retiree’s years of creditable coverage in the SEHIP. For those employees retiring with 25 years of creditable coverage in the SEHIP, the State would pay 100% of the “employer contribution” of the premium. Each year less than 25, the amount the State will pay toward the “employer contribution” would be reduced by 4% and the “employee contribution” will be increased accordingly. Each year over 25, the amount the State pays toward the “employer contribution” would be increased by 2% and the employee contribution reduced accordingly. NOTE: The retiree sliding scale is not applicable to the premium discounts.

Years of creditable coverage in the SEHIP are determined by the SEIB. Creditable coverage may be allowed for the following service time:

- service in the United States armed forces, or
- service as an employee as defined in Sections 16-25A-1 and 16-25A-11 Code of Alabama 1974, or
- service as an employee of a postsecondary institution eligible for PEEHIP coverage as a retiree, provided the postsecondary institution contributes an amount equal to the amount appropriated by the state to fund benefits for such retired employees.

**Employees Retired on or after January 1, 2012, Without Medicare - Premium Based on Years of Creditable Coverage in the SEHIP and Age at Retirement**

In addition to the changes in the retiree sliding scale, employees retired on or after January 1, 2012, without Medicare will also be subject to an additional premium based on age at retirement. The employer contribution of the retiree sliding scale premium will be reduced by 1% for every year of age of employee at retirement less than the Medicare entitlement age. This percentage will remain the same each year until entitlement to Medicare. Upon Medicare entitlement, the percentage deduction of the state contribution will be removed. (Most people are entitled to Medicare at age 65 or earlier if disabled.)

### **Deferred Retirement Option Plan (DROP)**

The new sliding scale premium effective for employees retired on or after January 1, 2012, will not apply to employees who have elected to participate in the Deferred Retirement Option Plan (DROP) if the DROP participant:

- does not voluntarily terminate participation in the DROP within the first three years and
- withdraws from service at the end of the DROP participation period.

This will exempt employees who entered the DROP from being subject to the new sliding scale premium if they do not voluntarily exit the DROP within the first three years and withdraw from service at the end of the DROP participation period.

### **Disability Retirement on or after January 1, 2012 – Exemption**

Employees who retire on disability on or after January 1, 2012 are exempt from the retiree sliding scale premium calculation for a period of two years, provided the retiree applies for Social Security disability. To obtain the two-year exemption, the retiree must submit documentation from the Social Security Administration acknowledging the retiree's application for disability benefits.

To maintain the exemption after two years the retiree must be approved for Social Security disability. If the retiree fails to obtain Social Security disability within two years from retirement the retiree permanently loses the eligibility for this exemption.

Employees who retire on disability on or after January 1, 2012 are not exempt from the retiree sliding scale premium calculation based on age.

#### **I. Retiree Other Employer Coverage**

If the employee retires after September 30, 2005, and goes to work for another employer, the retiree may be required to enroll in the other employer's health insurance plan. If the retiree is eligible for coverage in the new employer's health insurance plan and the new employer contributes 50% or more of the individual premium, the retiree will be required to drop the SEHIP as their primary coverage and enroll in the new health plan. The SEIB will offer the retiree supplemental or optional coverage.

Special Enrollment is available for retirees who lose their other employer's group health plan coverage.

#### **J. Re-Employed State Retiree**

Re-employed State retirees must work an average of ten (10) hours or more per week to be eligible for re-employed State retiree coverage in the SEHIP. Re-employed State retirees, who work less than ten (10) hours per week on average, may continue their retiree coverage in the SEHIP but will not be classified as re-employed State retirees for health insurance purposes.

To comply with the Medicare, Medicaid and SCHIP Expansion Act, SEIB has to show that it is the primary payer for all employees covered by the SEHIP, including re-employed Medicare retirees. This applies to all re-employed State retirees with a FICA deduction. Less than ¼ time employees and professional services contract employees are exempt.

All re-employed State retirees must submit a Re-employed State Retiree Health Insurance Form to the SEIB if they are expected to work 10 hours or more on average per week.

If the employee and/or dependent are Medicare eligible, SEHIP will be the primary payer and premiums will be adjusted. SEIB will bill the State agency for the employer premiums on the monthly supplemental billing. The base premium for re-employed State Medicare retirees will be the non-Medicare retiree premium, plus or minus the sliding scale adjustment if applicable.

Dependent premiums for re-employed State retirees will be paid by the retiree through the monthly deduction from their retirement check.

Non-Medicare re-employed State retirees will continue to pay their premiums through their retirement check.

It is very important that the SEIB is notified by Form 11 (or a memo) when the re-employed State retiree is no longer employed, so that the SEIB can change the coverage back to Medicare when applicable.

#### IV. EMPLOYEE COVERAGE OPTIONS TO SEHIP

##### A. Optional Plans

- Employee Opt-Out Provision  
Employees may decline coverage in the SEHIP by submitting an enrollment form to SEIB for approval. The agency is still required to pay the Employer Premium for those who decline coverage in the SEHIP.

Employees who decline coverage may reenroll during the regular Open Enrollment period. Special Enrollment is available for all employees who lose their other employer group health coverage, subject to the rules and procedures established by the SEIB.

A full time employee of the State of Alabama may not be covered as a dependent under the SEHIP.

- State Employees' Supplemental Coverage Plan (No dependent documentation required.) Employees who decline coverage in the SEHIP may enroll in the State Employees' Supplemental Coverage Plan at no cost to the employee. The State Employees' Supplemental Coverage Plan will provide secondary benefits to the employee's and non-Medicare retiree's primary coverage provided by another employer. Employee *must* provide SEIB with primary coverage information. The State Employees' Supplemental Coverage Plan benefits cover deductibles, copayments, and coinsurance per their primary coverage plan benefits. Participants may elect individual or family coverage. The State Employees' Supplemental Coverage Plan will not fully supplement the primary health plan if it is a high deductible plan (i.e. a plan with in-network deductibles of \$1,250 or more for single coverage or \$2,500 or more for family coverage.) Supplemental coverage plan limits reimbursement on deductibles to \$300 on inpatient hospital and \$1,250 single, \$2,500 family for all other medical services.

Employees who enroll in the State Employees' Supplemental Coverage Plan may drop this coverage and re-enroll in the SEHIP at any time. Coverage will be effective no later than the first day of the second month following receipt and approval of an enrollment form by the SEIB.

Employees who decline coverage in the SEHIP and enroll in the State Employees' Supplemental Coverage Plan may not enroll in the SEIB Optional Insurance Plan or SEPOP.

The primary coverage cannot be with SEHIP, PEEHIP, LGHIP, TRICARE or Medicare.

An employee may not be added as a dependent under another employee's SEHIP coverage regardless of whether he or she has declined coverage in the SEHIP.

- SEIB Optional Insurance Plan  
Employees who decline coverage in the SEHIP may enroll in the SEIB Optional Insurance Plan. The SEIB Optional Insurance Plan offers four policies: Dental, Cancer, Hospital Indemnity and Vision. The four policies are offered as a package at no premium to the employee. Participants may elect individual or family coverage.

An eligible employee or retiree may enroll in the SEIB Optional Insurance Plan at any time, subject to SEIB rules and procedures, by submitting a completed enrollment form directly to the SEIB.

Participants must remain in the SEIB Optional Insurance Plan for at least 12 months. If enrollment is effective on any day other than January 1, coverage will remain in effect through the end of the next full plan year.

The primary coverage cannot be with SEHIP, TRICARE, or Medicare.

Open and Special Enrollment back into the SEHIP is available for all eligible employees and retirees subject to SEIB rules and procedures.

Employees who decline coverage in the SEHIP and enroll in the SEIB Optional Insurance Plan may not enroll in the State Employees' Supplemental Coverage Plan, Dental Plan, Vision Plan, or SEPOP.

An employee of the State of Alabama may not be covered as a dependent under the SEHIP.

- **SEPOP/HRA**

The SEPOP is a premium only Health Reimbursement Arrangement (HRA) funded solely by the State of Alabama from which active employees are reimbursed for other employer group health insurance premiums.

Any active full-time employee of the State of Alabama eligible for coverage under the State Employees' Health Insurance Plan (SEHIP) who has opted out of the SEHIP is eligible to enroll in the SEPOP.

Enrollment in the SEPOP will establish an account into which the State will credit \$150 each month. Tax free benefit dollars can be used to pay premiums for other-employer group health insurance (e.g. coverage offered through your spouse's employer).

Employees can enroll in the SEPOP at any time during the year by completing Form IB26.

Employees can dis-enroll in the SEPOP and re-enroll in the SEHIP at any time during the year. When an employee dis-enrolls in the SEPOP or terminates employment, any Benefit Dollars in their SEPOP Account will revert back to the Plan.

- **Dental Coverage**

Beginning January 1, 2014, dental coverage was offered as a separate benefit with a monthly premium for single and for family coverage. The Blue Cross Dental Plan and the Southland Dental Plan are available. Enrollment applications are accepted for date of hire, open enrollment or special enrollment. Dependent documentation is required. A minimum enrollment of 12 months required for employees and dependents. Employees can either enroll in conjunction with SEHIP, Supplemental, SEPOP or Vision Plans or in a dental-only plan.

- **Vision Coverage**

Southland Vision coverage is available with a monthly premium for single or for family coverage. Enrollment applications are accepted for date of hire, open enrollment or special enrollment. A minimum enrollment of 12 months is required for employees and dependents. Employees can either enroll in conjunction with SEHIP, Supplemental, SEPOP or either dental plan or in a vision-only plan.

## **B. Optional Discounts**

- **Federal Poverty Level Discount Program (Form IB12)**

If an employee's combined family income is less than or equal to 300% of the Federal Poverty Level as defined by the federal law, he/she may be eligible for a percentage discount off the approved premium. In order for employees and retirees enrolled in the SEHIP to qualify for the discount, acceptable proof of total family income must be submitted to the SEIB.

Family income will be determined based upon current income in conjunction with the prior year's federal and state income tax returns. As a condition of participating in the Federal Poverty Level Discount Program, applicants must authorize the Alabama Department of Revenue (or the appropriate agency of the applicant's state of residence) to release to the SEIB all of the applicant's tax related information in their records for the current and prior tax year.

The premium discount will be applied as follows:

Greater than 300% of the FPL – employee pays 100% of the employee contribution

Equal to or less than 300% of the FPL – employee contribution reduced 10%

Equal to or less than 250% of the FPL – employee contribution reduced 20%  
Equal to or less than 200% of the FPL – employee contribution reduced 30%  
Equal to or less than 150% of the FPL – employee contribution reduced 40%  
Equal to or less than 100% of the FPL – employee contribution reduced 50%

Certification of income level will be effective for twelve months. Thereafter, re-certification will be made annually on the employee's or retiree's birthday.

The Federal Poverty Level discount will not apply to COBRA, or surviving spouse (INS, BEN) premiums, or part-time employees' premiums. Dental and vision coverage premiums are not discounted.

Employees who have discounted premiums through the Federal Poverty Discount program may continue under this program while on approved leave without pay provided they qualified prior to going on leave without pay.

- **Non-Tobacco User Premium Discount**

If you and your covered spouse both use tobacco products, you and your covered spouse will each be subject to a separate tobacco user premium of \$50. The tobacco user premium will be applied as follows:

1. If only you or your covered spouse, but not both, use tobacco products your tobacco user premium will continue to be \$50 per month.
2. If you and your covered spouse both use tobacco products, your monthly tobacco user premium will be \$100 (\$50 for you and \$50 for your covered spouse).

If you (and/or your spouse if covered as a dependent under SEHIP) have not used tobacco products in the last twelve months, you may be eligible for a premium discount. In order to obtain the discount you must submit a completed non-tobacco user premium discount application to the SEIB. You may also qualify for the discount if you submit acceptable documentation to the SEIB each year verifying that you (and/or your spouse if covered as a dependent under SEHIP):

1. have completed an SEIB approved tobacco usage cessation program; or
2. cannot stop using tobacco products as advised by your physician because it is unreasonably difficult due to a medical condition.

New employees will have 60 days from date of hire to apply for the non-tobacco user discount. When a spouse is added, the 60-day period will also apply.

Refunds will not be allowed for failure to submit an acceptable certification form.

- **Wellness Premium Discount**

All active employees, covered spouses of active employees, non-Medicare retirees and covered non-Medicare spouses of retirees that use the State Employees' Health Insurance Plan (Group 13000) as their primary insurance plan are eligible for a wellness premium discount. Each wellness plan year is November 1 through October 31. Every eligible participant must be screened either through the SEIB's worksite wellness screening program, at your local Health Department, a certified Pharmacy location and/or by a healthcare provider (through the submission of a Provider Screening Form).

Risk factors are blood pressure, total cholesterol, glucose, and body mass index. You are considered to be "at risk" if your:

1. Blood pressure systolic reading is 160 or higher, or your diastolic reading is 100 or above;
2. Total cholesterol reading is equal to or above 250;
3. Glucose reading is equal to or above 200;
4. Body mass index is equal to or above 40.

Participants screened at the worksite, county health department, or pharmacies that are discovered to have one or more of these risk factors may be eligible for an office visit co-pay waiver referral. The office visit co-pay waiver is only for members covered under Group 13000 and only waives the office visit co-pay. You are responsible for all other applicable co-pays, such as lab test co-pays. Only one office visit co-pay waiver is allowed within a screening period regardless of how many times you are issued a referral. **This co-pay waiver is not applicable at an emergency room or urgent care center.**

You can earn the wellness premium discount within the wellness plan year in the following ways:

1. Submission of health screening results through a SEIB wellness program indicating that you are not at risk for one or more of the above health risk indicators;
2. Submission of a completed and signed office referral form indicating that you have been counseled by a healthcare provider for your identified risk(s) indicators;
3. Submission of participation in a YMCA, Gold's Gym, Curves or other SEIB approved program(s). You must provide documentation of your participation;
4. Provide valid proof that you are self-managing and have made improvement in your identified risk(s). You must provide documentation of your improvement; or
5. Submission of a completed Provider Screening Form.

An eligible individual may also receive the wellness premium discount if it is deemed that the eligible individual cannot participate in the wellness program due to pregnancy, disability or other infirmity as documented by the eligible individual's physician.

The effective date of the wellness premium discount depends on when the screening results and/or other required documentation are submitted to the SEIB. However, in order for the wellness premium discount to be effective on January 1 (provided that the criteria listed above are met), you must meet criteria no later than October 31 of the preceding year. New employees will have 60 days from date of hire to apply for the wellness premium discount. Covered spouses of active employees, non-Medicare retirees and non-Medicare covered spouses of retirees will have 60 days from their effective date to apply for the wellness premium discount.

- **Spousal Surcharge Waiver**

Employees and retirees whose spouses are enrolled in the SEHIP will be charged a \$50 per month surcharge if their spouses are eligible for other insurance coverage. Spouses who are eligible for other coverage must enroll in that other coverage or pay the \$50 per month spousal surcharge. The surcharge will not apply if the spouse's other individual coverage monthly premium is \$255 or more.

In order to have your spousal surcharge waived, you must complete the "Spousal Coverage Certification Form" available on the SEIB's web site and submit the completed form, with appropriate documentation, to the SEIB.

It is the responsibility of the member to notify the SEIB immediately should a covered spouse become eligible for coverage through his or her employer during the waiver period. Any employee or retiree who knowingly and willfully submits false information to the SEIB in order to obtain a waiver of the Spousal Surcharge or fails to immediately notify the SEIB that he or she is no longer eligible for a waiver of the Spousal Surcharge will be subject to disciplinary action, up to and including termination of employment, and will be required to repay all surcharges as well as all claims and other expenses, plus interest, incurred by the SEHIP.

# State Employees' Health Insurance Plan

## Eligible Dependent

The term "dependent" includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

1. Your spouse (excludes divorced or common-law spouse).
2. A child under age 26, only if the child is:
  - a. your son or daughter,
  - b. a child legally adopted by you or your spouse,
  - c. your stepchild,
  - d. your grandchild, niece, or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - c. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent on you for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent's 26th birthday, and
  - g. is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the SEIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the SEIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who meets the eligibility requirements except for age:

1. When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
2. When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - a. the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - b. a change form is submitted to the SEIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - c. Medical Review approved incapacitation status.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The SEIB shall make the final decision as to whether an application for incapacitated status will be accepted.

NOTE: The SEIB reserves the right to periodically re-certify incapacitation.

In the event of the death of an active employee, who carried family coverage, the eligible dependents may continue coverage by making the appropriate premium payment to the SEIB. The SEIB must be notified within 90 days of the death.

Exclusion: You may not cover your wife, husband, or other dependents if they are independently covered as a State employee.

# GENERAL INFORMATION

## Eligible Dependent

The term "dependent" includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

1. Your spouse (excludes divorced or common-law spouse).
2. A child under age 26, only if the child is:
  - a. your son or daughter,
  - b. a child legally adopted by you or your spouse,
  - c. your stepchild,
  - d. your grandchild, niece, or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - c. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent on you for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent's 26th birthday, and
  - g. is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the SEIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the SEIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who otherwise meets the eligibility requirements except for age:

1. When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
2. When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - a. the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - b. a change form is submitted to the SEIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - c. Medical Review approved incapacitation status.

# GENERAL INFORMATION

## Eligible Dependent

The term "dependent" includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

1. Your spouse (excludes divorced or common-law spouse).
2. A child under age 26, only if the child is:
  - a. your son or daughter,
  - b. a child legally adopted by you or your spouse,
  - c. your stepchild,
  - d. your grandchild, niece, or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - c. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent on you for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent's 26th birthday, and
  - g. is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the SEIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the SEIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who otherwise meets the eligibility requirements except for age:

1. When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
2. When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - a. the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - b. a change form is submitted to the SEIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - c. Medical Review approved incapacitation status.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The SEIB shall make the final decision as to whether an application for incapacitated status will be accepted. NOTE: The SEIB reserves the right to periodically re-certify incapacitation.

In the event of the death of an active employee, who carried family coverage, the eligible dependents may continue coverage by making the appropriate premium payment to the SEIB. The SEIB must be notified within 90 days of the death.

Exclusion: You may not cover your wife, husband, or other dependents if they are independently covered as a State employee.

## Eligible Dependent

The term "dependent" includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

1. Your spouse (excludes divorced or common-law spouse).
2. A child under age 26, only if the child is:
  - a. your son or daughter,
  - b. a child legally adopted by you or your spouse,
  - c. your stepchild,
  - d. your grandchild, niece, or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - c. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent on you for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent's 26th birthday, and
  - g. is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the SEIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the SEIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who otherwise meets the eligibility requirements except for age:

1. When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
2. When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - a. the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - b. a change form is submitted to the SEIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - c. Medical Review approved incapacitation status.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The SEIB shall make the final decision as to whether an application for incapacitated status will be accepted.

NOTE: The SEIB reserves the right to periodically re-certify incapacitation.

In the event of the death of an active employee, who carried family coverage, the eligible dependents may continue coverage by making the appropriate premium payment to the SEIB. The SEIB must be notified within 90 days of the death.

Exclusion: You may not cover your wife, husband, or other dependents if they are independently covered as a State employee.

## Eligible Dependent

The term "dependent" includes the following individuals, subject to appropriate documentation (Social Security number, marriage certificate, birth certificate, court decree, etc.):

1. Your spouse (excludes divorced or common-law spouse).
2. A child under age 26, only if the child is:
  - a. your son or daughter,
  - b. a child legally adopted by you or your spouse,
  - c. your stepchild,
  - d. your grandchild, niece, or nephew for whom the court has granted custody to you or your spouse.
3. An incapacitated dependent over age 25 will be considered for coverage provided dependent:
  - a. is unmarried,
  - b. is permanently mentally or physically disabled or incapacitated,
  - c. is so incapacitated as to be incapable of self-sustaining employment,
  - d. is dependent on you for 50% or more support,
  - e. is otherwise eligible for coverage as a dependent except for age,
  - f. the condition must have occurred prior to the dependent's 26th birthday, and
  - g. is not eligible for any other group health insurance benefits.

Neither a reduction in work capacity nor inability to find employment is, of itself, evidence of eligibility. If a mentally or physically disabled dependent is working, despite his disability, the extent of his earning capacity will be evaluated.

To apply, contact the SEIB to obtain an Incapacitated Dependent Certification Form. Final approval of incapacitation will be determined by Medical Review. Proof of disability must be provided to the SEIB within 60 days from the date the child would cease to be covered because of age.

Exception: There are two situations under which it may be possible to add an incapacitated dependent who meets the eligibility requirements except for age:

1. When a new employee requests coverage for an incapacitated dependent within 60 days of employment; or
2. When an employee's incapacitated dependent is covered under a spouse's employer group health insurance for at least 18 consecutive months and:
  - a. the employee's spouse loses the other coverage because:
    - spouse's employer ceases operations, or
    - spouse's loss of eligibility due to termination of employment or reduction of hours of employment, or
    - spouse's employer stopped contribution to coverage,
  - b. a change form is submitted to the SEIB within 30 days of the incapacitated dependent's loss of other coverage, and
  - c. Medical Review approved incapacitation status.

The above requirements must be met as a minimum threshold in order to be considered for incapacitation status. The SEIB shall make the final decision as to whether an application for incapacitated status will be accepted. NOTE: The SEIB reserves the right to periodically re-certify incapacitation.

In the event of the death of an active employee, who carried family coverage, the eligible dependents may continue coverage by making the appropriate premium payment to the SEIB. The SEIB must be notified within 90 days of the death.

Exclusion: You may not cover your wife, husband, or other dependents if they are independently covered as a State employee.
